RE: ASHI Accreditation No. **10-4-OR-03-1**
CLIA No. **38D1058476**

Dear Dr. Mehdizadeh Kashi:

I have received and reviewed all of the materials sent to me by Leslie Mayfield, CHT, your ASHI Commissioner. I am in concurrence with the recommendations of your Commissioner that your laboratory has successfully demonstrated compliance with all mandatory ASHI Standards.

On the basis of the recommendations from your Commissioner, Kashi Clinical Laboratories, Inc., 10-4-OR-03-1, under the direction of Zahra Mehdizadeh Kashi, PhD, HCLD is granted accreditation for the following:

Areas of Accreditation:

HSC/BM Transplantation: Related Donor
HSC/BM Transplantation: Unrelated Donor
Histocompatibility Testing For Other Clinical Purposes

Categories & Systems:

HLA Typing Class I: Molecular	HLA Antibody Detection: Solid phase
HLA Typing Class II: Molecular	HLA Antibody Identification: Solid phase
Next Generation Sequencing	Other Testing: Chimerism/Engraftment Monitoring STR
	KIR Typing: Low Resolution

Accreditation for the above areas of accreditation, categories, and systems will be valid until 04/30/2025, pending successful completion of an interim, self-inspection cycle next year.

Your laboratory is accredited by ASHI for the following CMS subspecialties: Histocompatibility Testing and General Immunology Testing.

You and your laboratory staff are to be commended for maintaining ASHI's high standards for laboratory performance and patient service.

Should you have any questions about the inspection or accreditation process, please contact your commissioner or the ASHI Accreditation Office at (856) 335-3299 x7004.

Sincerely,
