

# Let the Lab Come to YOU!

## Laboratory Testing with Mobile Phlebotomy

Kashi Clinical Laboratories, a high-complexity clinical laboratory, has been offering quality laboratory testing since 2006. Today, we proudly offer laboratory testing services with mobile phlebotomy to enhance the accessibility and comfort of sample collection for those individuals living in long-term care communities. Our services are available to residents for better patient care and a more convenient method for laboratory testing.

## Benefits of Kashi:

**For Patients:** You no longer need to leave your community for laboratory testing. We prioritize your comfort and convenience by bringing our services directly to you.

**For Loved Ones:** Allow us to provide the highest standard of care to the people you cherish most. No need to take time off work or endure long drives to have blood collected. We will take care of your loved ones within the comfort of their own community.

**For Providers:** Ordering labs is easy with our user friendly portal for scheduling laboratory testing and a mobile phlebotomist. Call us today at (503) 206-4989 to get set-up!

## Direct Insurance Billing to Medicare, MedAdvantage Plans, Medicaid and Private Insurance

*\* Phlebotomy services cannot be ordered separately. All testing is sent to Kashi when collected by our phlebotomists \**

## Contact Us

Our team is available 7 days a week to answer your questions. Please reach out to us via phone or email if you need help placing an order, or if you have any questions.
