General Labs & Mobile Phlebotomy

Delivering More Than a Test Result

UA Testing

We will pick up urine samples when scheduled to collect blood at the facility. Urine Samples are suitable for testing up to 72 hours after collection when transferred into a specialized tube. If a UA is required for pickup outside of our scheduled day(s) we provide courier services for a fee. This can be ordered in the testing portal.

We also offer molecular UTI/PCR for Bacterial ID with 1 day turnaround time from receipt of sample at laboratory.

Electronic Connectivity

KCL offers direct connectivity through the PCC Dashboard along with other EMR's.

STAT Testing

STAT testing is available with results provided in just 4 hours. Please note:

STAT blood collections are available during the phlebotomy hours listed and require authorization by a staff member when placing the order.

Please contact us if you are interested in STAT testing and are located outside Portland metro

Observed Holidays

Laboratory and phlebotomy services are not available on the following holidays:

New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day.

**Please note that the exact day the holiday is observed may vary depending on which day of the week the holiday falls.*
